FDD Abstract of []

25X1C REPORTS OF SIXTEEN PEOPLE-OWNED FEDERATIONS ON THE REALIZATION OF THEIR ALLOCATIONS OF MATERIALS (27 pp; German; [])

25X1X []

This document consists of photostatic copies of reports (25 pp) from sixteen people-owned federations showing the realization of their allotments of materials under the economic plan. Two reports are accompanied by cover letters (2 pp).

The tabular reports indicate plan position numbers, description of items, amounts realized in report month, and total amounts realized. Although some reports include iron and steel, non-ferrous metals, chemicals, glass, leather, paper, wood, etc., over half list solely electrical equipment, such as power cable and welding electrodes, or electrical equipment and ball bearings. A list of the federations and report periods follows:

1. Federation of People-Owned Shipyards (VWV), Rostock; report for March 1951.
2. Federation of People-Owned Enterprises for the Construction of Deep-Sea Craft, Warnemuende; report for March 1951.
3. Federation of People-Owned Enterprises for Precision and Optical Instruments (Optik), Jena; report for March 1951.
4. Federation of People-Owned Vehicle Plants (IFA), Chemnitz; report for March 1951.
5. Federation of People-Owned Enterprises for Power Plant Equipment and Motors, (EKM), Halle; reports for February and March 1951.
6. Federation of People-Owned Enterprises for Fixtures and Sanitary Installations (Sanar); report for March 1951.
7. Federation of People-Owned Enterprises for Food-Processing Machinery (Nagema), Dresden; report as of 28 March 1951.
8. Federation of People-Owned Enterprises for Electrical Machine-Building (VEM), Berlin; report for the period 1 January - 31 March 1951.
9. Federation of People-Owned Enterprises for Machine Tools and Tools (WMW), Chemnitz; report for March 1951.
10. Federation of People-Owned Radio and Telecommunications Enterprises (RFT), Chemnitz Instrument Plant; report for March 1951.
11. Federation of People-Owned Enterprises for Installations, Cable, and Apparatus (IKA), Leipzig; report as of 31 March 1951.
12. Federation of People-Owned Enterprises for Agricultural, Construction, and Wood-Processing Machinery (LBH), Leipzig; report for March 1951.
13. Federation of People-Owned Radio and Telecommunications Enterprises (RFT), Neuhaus Tube Works, Neuhaus am Rennweg; report for March 1951 (with cover letter addressed to Ministry for Machine-Building, Materials Procurement Division, Berlin).
14. Federation of People-Owned Radio and Telecommunications Enterprises (RFT), Stern-Radio, Leipzig; report for March 1951 (with cover letter addressed to the Ministry for Machine-Building, Main Department for the Electrical Industry, Berlin).
15. Federation of People-Owned Enterprises for Industrial Hardware (TEWA), Chemnitz; report for March 1951.
16. Federation of People-Owned Enterprises for Photographic, Motion Picture, and Office Equipment (Mechanik), Dresden; report for March 1951.
